

The PETWORTH Series - 28' x 32'

Bent View

Side View

This lovely timber frame design has a great loft, and makes good use of space with an 896 ft² footprint. With plenty of loft space, the total living space = 1,550 ft². It could be a complete house, cottage, or built as part of a hybrid house project. It can also be built with optional dormers to bring more natural light into the upper floor.
